Who We Are

One More Candle is committed to remembering every one of the 1.5 million children murdered in the Shoah (Holocaust). L'dor v'dor. From generation to generation.

How to Participate

As an individual or a family

Adopt the memory of an OMC child and make the commitment to honor that child yearly.

As a synagogue

We provide a complete list of OMC children so that one name can be called out at each minyan.

As a bar/bat mitzvah

Accept the mitzvah of adopting a child of memory with whom to share your special day and to continue honoring each year.

What You Can Learn

The Shoah was a crime against all humankind. Education is a key component in combating the various forms of intolerance that still regrettably persist in our world today.

OUR VISION

One More Candle offers you the opportunity to adopt the memory of a child whose life was cut short by hubris and deep seated human evil.

One More Candle is committed to remembering **every one** of the 1.5 million children murdered in the Shoah (Holocaust).

L'dor v'dor.
From generation to generation.

Simply stated, One More Candle needs you to adopt a memory, a child to honor as though having been one of your own family.

Adopt a Memory

Each Shoah (Holocaust) victim has a name. Some names may not have been said out loud by a person in over 75 years. One More Candle gives you the opportunity to adopt a memory so that a murdered child has someone to remember that they lived, giving light to darkness by saying his or her name out loud or by simply lighting just One More Candle every year. You can also add your adopted memory's name to the yearly yahrtzeit list at your synagogue.

I HAVE A NAME

We are a registered charity in Canada.

There is no charge to adopt a memory.
